

## ELIGIBILITY CRITERIA

Only registered / enrolled PhD research scholars of any university in any branch of research are eligible to apply.

## REGISTRATION PROCESS:

Interested candidates may visit the university website (bhu.ac.in) and can download the registration form. Duly filled form should be submitted in the office of Department of Home Science, MMV, BHU, Varanasi. The candidates are required to send the form forwarded by the Ph.D. Supervisor and Head of the Department.

**REGISTRATION FEE: Rs 1500/**

**No. OF SEATS - 60 seats, limited.**

## TIME AND VENUE

**2<sup>nd</sup>-8<sup>th</sup> April 2018;** Department of Home Science, Mahila Maha Vidyalaya, Banaras Hindu University, Varanasi

## IMPORTANT DATES:

Last date of receipt of registration form: 10<sup>th</sup> March 2018

Notification of Acceptance: 15<sup>th</sup> March 2018

Workshop Dates: 2<sup>nd</sup> - 8<sup>th</sup> April ,2018

## MAILING ADDRESS:

Convener, Dept of Home Science; Mahila Maha Vidyalaya; Banaras Hindu University; Varanasi, 221005 U.P

**E-mail; rmhsc2018@gmail.com**

**REGISTRATION FORM**

Name_____	Passport Size photo
Father / Mother's Name: _____	
Date of Birth: _____	
Gender _____	
Date with year of Ph.D. _____	
Registration: _____	
Subject of Specialization: _____	
Institution/Organization: _____	
Mailing Address: _____	
_____	
Mobile: _____	
Email: _____	
_____	

**Details of remittance of Registration Fee Rs. 1500/- (Through Demand Draft drawn in Favour of the Convener, Department of Home Science, Banaras Hindu University payable at Varanasi)**

DD No.	Date	Bank

**Signature of the Participant**

**Signature of the Supervisor (Seal)**

**Signature of the Head (Seal)**

**Mailing Address:**

Convener, Dept of Home Science; Mahila Maha Vidyalaya; Banaras Hindu University; Varanasi, 221005 U.P

E-mail; rmhsc2018@gmail.com

**NOTE:** Participants must bring their laptops for practical sessions.

## BANARAS HINDU UNIVERSITY SEVEN DAYS NATIONAL WORKSHOP ON APPLICATIONS AND USES OF RESEARCH METHODOLOGY FOR Ph.D. STUDENTS

**(2<sup>nd</sup> - 8<sup>th</sup> April ,2018 )**

*Organized By*

**DEPARTMENT OF HOME SCIENCE**

**MAHILA MAHA VIDYALAYA,  
BANARAS HINDU UNIVERSITY,  
VARANASI (U.P.), INDIA**

## ABOUT THE WORKSHOP

Knowledge on research methodology is of key importance in research. The research methodology course for Ph.D. students is expected to cover the fundamentals of research methodology focusing on theoretical and practical inputs. Unfortunately paucity in respect to recent development in research methodology, usage of statistical software, use of internet techniques, E- library, and range of techniques for analyzing qualitative and quantitative data has left the researchers in the lurch. In fact they lack the ability of conceptualizing research topic suitably, use of appropriate methodology and evaluation of work. It is a common problem which all researchers confront as soon as they start their research.

Department of Home Science is going to organize a seven days workshop on applications and uses of research methodology for PhD students. The course is designed to impart knowledge on research methodology in context to qualitative and quantitative research along with training in advanced statistical packages including SPSS etc. The emphasis will be on the practical mode of training which will help the researcher to learn the technicalities for handling software for data analysis in a systematic manner. Thus the program is aiming at the discussion on theory followed by thorough practical sessions.

## OBJECTIVES OF THE WORKSHOP

The broad objective of this course is to make individuals who are launching their research career understand the philosophy of research and introduce them to various tools that can help them to improve their research and problem solving skills. At the same time the course seeks to encourage students to think critically not only about the method they use, but also to reflect on the limitations of what is expected from the evidences presented by others.

## OUTLINE OF RESEARCH TOPICS

- ❖ Developing better understanding of basic concepts of statistics.
- ❖ Basic data analysis' (through SPSS).
- ❖ Cross-sectional analysis (through SPSS).
- ❖ Providing an overview of the computive data analysis and statistical software.
- ❖ To provide an overview of the concept of research methodology used in scientific research and formulation of proposals and research projects.
- ❖ Scientific writing and publishing.
- ❖ Use of internet techniques, E- library.
- ❖ Ethics in research

## ORGANISING COMMITTEE

**Chairperson:** Prof. Archana Chakravarty, Head, Dept of Home Science, MMV, BHU

**Convener:** Dr Mukta Singh; Assoc. Prof, Dept of Home Science, MMV, BHU

### **Organizing Secretaries:**

Prof. Kalpna Gupta; Professor, Dept of Home Science, MMV, BHU

Dr Pushpa Kumari; Asst. Prof, Dept of Home Science, MMV, BHU

### **For Details Contact:**

Dr Mukta Singh; Assoc. Prof. Dept of Home Science MMV, BHU

Mobile No. 9335783891

Dr Pushpa Kumari; Asst. Prof. Dept of Home Science MMV, BHU

Mobile no. 8009059029

## NOTE

- No accommodation or travel allowances will be paid to local or outstation participants.
- Allocation of seats shall be made on first come first serve criteria.
- Participants must bring their laptop along with them for better understanding and practice during the workshop.
- The organizer reserves the right for scrutiny and selection of the candidates based on the above information.
